## AGENCY MESSAGE

Our programs are designed to assist children facing adversity from single parent homes aged 6-12. Youth development experts agree that children benefit from having supportive adults in their lives to instill confidence and self-worth.

It is our hope that as the children mature, each will be positively influenced and guided by the constructive experiences that are shared between a Big and a Little, and that children grow up to become well-adjusted, contributing members of our community.

On behalf of the Bigs and Littles, our Board of Directors and Staff, and our community, we thank you for your support of our programs and the Children of Beaver County. Your actions have a direct impact on their ability to be successful.

Big Brothers Big Sisters

The nation's premier mentoring organization
