

Infinity Accounting Helping the United Way for a Better Beaver County!

The United Way of Beaver County announces a new corporate sponsor, Infinity Accounting and Business Consulting.

Infinity Accounting believes in giving back to the community. There is no better organization than the United Way of Beaver County, who for almost 60 years have helped the less fortunate in our area.

For each new account that Infinity acquires through a Beaver County United Way Referral, a 10% donation of the entire contract will be given to the 2018 -2019 campaign!

Hello!

With the upcoming tax season, it is very likely you may have questions related to the 2018 Tax Reform. Infinity Accounting and Business Consulting is here to help you better understand how these changes will impact you.

Why choose Infinity Accounting and Business Consulting?

- **Experience.** We have completed over 3,000 tax returns and have nine years of experience in the industry.
- **Fast, reliable service.** Once your information is received, your return will be completed within five days.
- **Tax Planning is not an annual conversation.** At Infinity Accounting and Business Consulting, we take the time to get to know our clients. Our relationships are not based on a once-a-year conversations. We work together to devise the best tax strategy based on your individual situation.
- **Ever-changing and burdensome tax laws are confusing.** Let us handle the burden of knowing the latest tax laws and how they may affect your return.
- **Our services are affordable.** CPA firms are often too expensive for individuals and small businesses. We are committed to providing excellent service at a reasonable rate.

We would love the opportunity to work with you! Please call or email to setup a consultation.
