

"Coming together is a beginning, keeping together is progress, working together is success."

Edward Everett Hale

Dear United Way Supporter,

It is time to celebrate! It is time to be thankful! It is time to come together to begin the renaissance of life in Beaver County!

Please help us celebrate the people, organizations and companies that worked tirelessly over the past two years to navigate the pandemic. The unsung heroes who gave of their time, talents and treasures to assure that the human services in Beaver County, not only survived, but thrived in their missions to help others.

We kicked off our campaign with almost 300 supporters back in September. **The \$100,000 Matching Grant Campaign will end on May 31st.** *The support for my final campaign has been humbling.*

Now that guidelines have been relaxed, please join us for the **"Celebration of the Year Event"**.
